

The Barbeque Specialists

Barbeques offer a healthy, fresh, easy on the wallet and versatile option to gang up with your friends for a day of fun. If your first thoughts are, "This is going to be a lot of work!"- don't fret; Trade Links Corp offer you a unique gas fired charcoal barbeque among many other types.

These are available in various sizes

with portable and stand alone options. This means- no mess trying to light up your coal with kerosene. All it takes is 5 minutes with the burner on and all your coal is lit! Also, there is no residual smell of kerosene in your food.

Now you have no reason not to call your friends over & have a good time! Dream of cooking

those garden fresh varieties from garden to grill? Chicken, fish, vegetables & even fruits are delicious when cooked on the barbeque. Find your perfect match from the most comprehensive range of BBQ's in Bangalore!
